

SPECTRALAYERS PRO COMPETITIVE CROSSGRADE CLAIM FORM

Steinberg is offering owners of competitive products the opportunity to crossgrade to Spectralayers Pro. Owners of the following products are eligible to obtain a full, unlimited version of Steinberg Spectralayers 12 Pro at a special crossgrade price:

Acon Digital Acoustica 7.x or higher (Premium Edition and Post Production Suite / excl. Standard Edition)

Adobe Audition (Single App and Creative Cloud subscriptions)

iZotope RX 8 and later (Standard, Advanced and Post Production Suite / excl. Elements)

This is how it works:

You are entitled to this limited crossgrade offer if you can provide proof of ownership for one of the above mentioned DAW's as follows:

- A copy of your purchase receipt for the original license or the most recent update/upgrade**
- Or a screenshot of your product registration**
- Or a photo of your package (either CD/DVD or printed manual), with the unique serial number included in the photo**

Please complete this form and submit it to your preferred Steinberg Dealer together with the proof of ownership of your eligible DAW product.
