

Welcome to Club Revolution Vol. 1 !

Club Revolution Vol 1 is a complex but well organised sample collection featuring over **2700 premium sounds**, painstakingly produced and selected.

Packed with over 1000 of the phattest, fruitiest club oriented drums, basses, breakbeats, synth sounds, a massive effect section and **575** totally fresh floor filling kick-free-loops never heard before!

This CD covers a wide spectrum of Dance genres including Trance, Techno, Hardstyle, Electro and Progressive styles.

In detail:

114 Acid Sounds

196 Basses

103 Claps

101 Cutted Sounds

130 Cutted Vocals

295 Cymbals (subdivided into Clave/Rim/Shaker, Closed, Open, Crash, Crash Reverse and Ride)

152 Electro Stuff

311 Kicks (subdivided into Breakbeat, Distorted, Hard, Soft and Sub)

067 Breakbeat Loops

575 Kick-Free Loops (subdivided into Electro, Experimental, Main, Rough & Tonal)

048 Scratches

366 Effects (subdivided into Backward, Boom, Crowd, Hardstyle, Oneshot and Sweeps)

113 Snares

050 Synth Sounds

120 Toms & Percussion

The huge variety of samples is clearly categorised into folders. Loops are provided with bpm information (140 bpm) and tonal sounds assigned to their root keys. Overall simplified access for direct use. WAV format offers all music software users endless possibilities of application. The CD is of equal interest to both PC and Mac users and includes EXS and Kontakt 2 files as bonus material which simplifies loading into the common (software) samplers. Each single bass/acid/synth sample has been mapped to an instrument and can instantly be played over the keyboard.

Club Revolution Vol 1 offers everything you need for the next floorfiller and will lift your production to the next level. Setting a true benchmark in terms of sound and sample quality.
