PUNISH
MADE IN NEW YORK
INSTALLATION MANUAL

STEP 1:

Download and uncompress the PUNISH installer file
(**found in your purchase receipt email*)

STEP 2:

Make sure you have the iLok License manager installed on your system.
If not, you can download it here:

https://ilok.com/#!license-manager

STEP 3:

Launch the PUNISH installer and follow the prompts to complete your installation

STEP 4:

Launch your DAW and, when prompted, click the 'Activate' button in the ilok
window. Enter your serial code *(found in your purchase receipt email)* and Log in
to your iLok account.

STEP 5:

When prompted, choose your system to activate, and hit OK.

STEP 6:

Register your product at Heavyocity.com for updates, downloads, and offers:

https://www.heavyocity.com/my-account
