

URBAN & SUBURBAN

FILENAME	DESCRIPTION
NP02 0224 Suburban morning dogs birds V1.wav	Suburban morning with dogs barking, birds chirping, distant lawn mower drone. Occasional down spout drip. Loop.
NP02 0225 Suburban morning dogs birds V2.wav	Suburban morning with dogs barking, birds chirping, distant lawn mower drone. Loop.
NP02 0226 Suburban morning dogs birds V3.wav	Suburban morning with dogs barking, birds chirping, distant lawn mower drone. Loop.
NP02 0227 Suburban morning dogs birds insects jets.wav	Suburban morning with dogs barking, birds chirping, crickets, distant air traffic and lawn mower. Loop.
NP02 0228 Suburban morning dogs bird traffic siren.wav	Suburban morning with dogs barking, bird featured, distant traffic, siren. Occasional down spout drip. Loop.
NP02 0229 Suburban day birds mower traffic.wav	Suburban area with birds, drone of mowers and traffic. Faint activity of people. Loop.
NP02 0230 Suburban day birds sprinklers mowers V1.wav	Suburban area with birds, drone of mowers, traffic, sprinkler. Loop.
NP02 0231 Suburban day birds sprinklers mowers V2.wav	Suburban area with birds, mowers, sprinkler prominent. Children's voices in background at times. Loop.
NP02 0232 Suburban day birds traffic.wav	Suburban area with birds and traffic. Loop.
NP02 0233 Urban day construction traffic babble.wav	Urban traffic, construction, faint babble. Loop.
NP02 0234 Urban day construction traffic horn babble.wav	Urban traffic, horns, construction, faint babble. Loop.
NP02 0235 Urban day construction.wav	Urban construction activity. Loop.
NP02 0236 Urban day activity booming.wav	Urban booming activity with traffic. Seagulls. Loop.
NP02 0237 Urban day traffic people drips.wav	Urban activity with traffic, people, drips. Loop.
NP02 0238 Urban day traffic people busy V1.wav	Urban traffic prominent with babble of busy people. Loop.
NP02 0239 Urban day traffic people busy V2.wav	Urban traffic prominent with babble of busy people. Loop.
NP02 0240 Urban day traffic people horns.wav	Urban traffic prominent with babble of busy people. Horns at times. Loop.
NP02 0241 Urban day traffic people plane.wav	Urban day traffic prominent with babble of people and plane pass. Loop.
NP02 0242 Urban day traffic people horns frequent.wav	Urban day traffic prominent with babble of people and frequent horns of cars and trucks. Loop.
NP02 0243 Urban day traffic people siren.wav	Urban day with loud passing siren and babble of people. Loop.
NP02 0244 Suburban night crickets traffic light.wav	Suburban night with gentle crickets and light traffic. Train horn repeats. Loop.
NP02 0245 Suburban night crickets traffic roar V1.wav	Suburban night with rapid crickets and traffic roar. Loop.
NP02 0246 Suburban night crickets traffic roar V2.wav	Suburban night with rapid crickets and traffic roar. Loop.
NP02 0247 Suburban night crickets traffic ventilation.wav	Suburban night with crickets, traffic roar and ventilation noise. Loop.
NP02 0248 Suburban night crickets rapid traffic echoes.wav	Suburban night with rapid crickets and traffic echoes. Loop.
NP02 0249 Suburban night crickets frogs.wav	Suburban night with crickets and frogs in wetland area. Loop.
NP02 0250 Urban night echoes.wav	Urban night with echoes of activity. Loop.
NP02 0251 Urban night dog horn traffic echoes.wav	Urban night with distant dog, horn, traffic echoes. Loop.
NP02 0252 Urban night electricity cricket V1.wav	Urban night with electricity crackle and single cricket. Loop.
NP02 0253 Urban night electricity cricket V2.wav	Urban night with electricity crackle and single cricket. Loop.
NP02 0254 Urban night electricity cricket V3.wav	Urban night with electricity crackle and single cricket. Loop.
NP02 0255 Urban night vehicle siren.wav	Urban night with passing emergency vehicle siren. Loop.
NP02 0256 Suburban traffic car puddle.wav	Suburban car passes through puddle on pavement.
NP02 0257 Suburban traffic cobblestones V1.wav	Suburban traffic over cobblestones. Distant footsteps and voices at times. Loop.

URBAN & SUBURBAN

NP02 0258 Suburban traffic cobblestones V2.wav	Suburban traffic over cobblestones. Loop.
NP02 0259 Suburban traffic light birds.wav	Suburban traffic cars and trucks light. Faint babble and birds at times. Loop.
NP02 0260 Suburban traffic light grated bridge birds.wav	Suburban traffic travels one at time over grated bridge with distant birds. Loop.
NP02 0261 Urban traffic light free flowing.wav	Urban traffic light cars and trucks, sometimes moderately close with occasional seagull. Traffic free flowing on elevated and level roads typical of urban areas. Loop.
NP02 0262 Urban traffic light free flowing closer V1.wav	Urban traffic light cars and trucks is free flowing, closer, with faint babble, jet and horn. Loop.
NP02 0263 Urban traffic light free flowing closer V2.wav	Urban traffic light cars and trucks is free flowing, closer, with faint babble and horn. Loop.
NP02 0264 Urban traffic moderate Third World.wav	Urban traffic is free flowing with light cars and trucks, horns frequent, faint babble, siren prominent. Distinctly Third World. Loop.
NP02 0265 Urban traffic moderate diverse close V1.wav	Urban traffic is moderate, free flowing with cars, trucks and passing commuter train. Close at times. Loop.
NP02 0266 Urban traffic moderate diverse close V2.wav	Urban traffic is moderate, free flowing, with cars, trucks and passing commuter train. Close at times. Loop.
NP02 0267 Urban traffic moderate elevated.wav	Urban traffic is moderate, free flowing, with cars, trucks, motorcycle on elevated highway. Loop.
NP02 0268 Urban traffic moderate elevated metal plate.wav	Urban traffic is moderate, free flowing, with cars and trucks on elevated highway with metal plate. Loop.
NP02 0269 Urban traffic moderate elevated metal plate echo.wav	Urban traffic is moderate, free flowing, with cars and trucks on elevated highway with metal plate. Echo. Distant siren. Loop.
NP02 0270 Urban traffic moderate elevated metal plate thuds.wav	Urban traffic is moderate, free flowing, with cars and trucks on elevated highway with metal plate. Thuds. Loop.
NP02 0271 Urban traffic moderate elevated metal plate diverse.wav	Urban traffic is moderate, free flowing, with cars and trucks on elevated highway with metal plate. Train horn. Diverse road seam sounds. Loop.
NP02 0272 Urban traffic moderate elevated metal plate distinct.wav	Urban traffic is moderate, free flowing, with cars and trucks on elevated highway with metal plate. Road seam with metal plate moderately distant and distinct both left and right. Loop.
NP02 0273 Urban traffic moderate elevated metal plate tonal.wav	Urban traffic is moderate, free flowing, with cars and trucks on elevated highway with seams and metal plate tonal thuds. Loop.
NP02 0274 Urban traffic moderate generic.wav	Urban traffic is moderate, free flowing, with cars, trucks, motorcycle, plane. Faint bird chirps and voices at times. Loop.
NP02 0275 Urban traffic mod busy V1.wav	Urban traffic is moderately busy but still free flowing with cars and trucks. Loop.
NP02 0276 Urban traffic mod busy V2.wav	Urban traffic is moderately busy but still free flowing with cars and trucks. Loop.
NP02 0277 Urban traffic mod busy train truck horns.wav	Urban traffic is moderately busy but still free flowing with cars and trucks. Distant train horn at times becoming closer. Truck horn. Loop.
NP02 0278 Urban traffic busy free flowing.wav	Urban traffic is busy but still free flowing with cars and trucks. Car horn. Loop.
NP02 0279 Urban traffic busy truck.wav	Urban traffic is busy with bumpy truck. Loop.
NP02 0280 Urban traffic busy trucks cars.wav	Urban traffic is busy with trucks and cars. Bird chirp faint. Loop.
NP02 0281 Urban traffic busy interstate highway.wav	Urban traffic is busy and free flowing on interstate highway. Loop.
NP02 0282 Urban traffic mod distant V1.wav	Urban traffic of trucks and cars is moderately distant. Loop.
NP02 0283 Urban traffic mod distant V2.wav	Urban traffic is moderately distant. More muffled than previous version. Loop.
NP02 0284 Urban traffic distant V1.wav	Urban traffic is distant. Loop.
NP02 0285 Urban traffic distant V2.wav	Urban traffic is distant. Lighter traffic flow than previous version. Loop.
NP02 0286 Urban traffic distant drone V1.wav	Urban traffic is distant drone of busy elevated highway and street traffic. Very faint train horn blends nicely. Loop.
NP02 0287 Urban traffic distant drone V2.wav	Urban traffic is distant drone. Loop.
NP02 0288 Urban traffic special event car horns.wav	Urban traffic busy with celebratory car horns. Loop.
NP02 0289 Urban traffic special event car horns shouts.wav	Urban traffic busy with celebratory car horns and shouts. Loop.
NP02 0290 Urban traffic special event distant.wav	Urban traffic with celebratory car horns and shouts frequent. Distant perspective. Loop.
NP02 0291 Urban airport exterior entrance.wav	Urban airport at entrance with light footsteps, babble of voices, whistler, luggage wheels and occasional pass of shuttle bus. Loop.

URBAN & SUBURBAN

NP02 0292 Urban airport interior V1.wav	Urban airport interior ambience with various security announcements and light pedestrian activity. Loop.
NP02 0293 Urban airport interior V2.wav	Urban airport interior ambience with various security announcements and light babble of voices. Loop.
NP02 0294 Urban airport interior V3.wav	Urban airport interior ambience with various security announcements and babble of voices near food area. Busier than previous versions. Loop.
NP02 0295 Urban airport interior food circus.wav	Urban airport interior ambience with babble of voices and pronounced chair movements at food circus. Loop.
NP02 0296 Urban airport interior TSA security checkpoint.wav	Urban airport interior ambience at busy TSA security checkpoint. Loop.
NP02 0297 Urban airport interior generic.wav	Urban airport interior generic ambience. Loop.
NP02 0298 Urban train station entrance.wav	Urban train station entrance toll station with coin tosses, footsteps and babble of voices. Loop.
NP02 0299 Urban train station underground otherworldly.wav	Urban train station underground with reverberating echo of distant trains and distinct footsteps with vague voices. Otherworldly. Loop.
NP02 0300 Urban train station underground rumbling.wav	Urban train station underground with rumbling of singular passing of distant trains, footsteps, voices. Loop.
NP02 0301 Urban train station babble.wav	Urban train station with relatively busy babble of indistinct stationary voices. Loop.
NP02 0302 Urban train station train arrival departure.wav	Urban train station with footsteps and voices with train arrival and departure in background. Vehicle traffic distinct at beginning. Loop.
NP02 0303 Urban train station footsteps babble trains.wav	Urban train station with footsteps and babble of voices with occasional trains in background. Loop.
NP02 0304 Urban train station babble indistinct.wav	Urban train station with reverberation of indistinct voices. Loop.
NP02 0305 Urban train station babble footsteps locomotive.wav	Urban train station with reverberation of indistinct voices, footsteps, locomotive idling background. Loop.
NP02 0306 Urban train station drone.wav	Urban train station drone of locomotive and sparse babble. Loop.
NP02 0307 Urban train ride V1.wav	Urban train ride on Japanese commuter. Several stops.
NP02 0308 Urban train ride V2.wav	Urban train ride on Japanese commuter. Loop.
NP02 0309 Suburban park morning bird chorus V1.wav	Suburban park morning with sparse bird chorus. Loop.
NP02 0310 Suburban park morning bird chorus V2.wav	Suburban park morning with sparse bird chorus. Indistinct voices at times. Drone of distant traffic. Loop.
NP02 0311 Suburban park morning bird chorus busy.wav	Suburban park morning with busy bird chorus. Distant traffic rumble. Loop.
NP02 0312 Suburban park day bird traffic.wav	Suburban park day bird and distant traffic with indistinct voices at times. Loop.
NP02 0313 Suburban park day birds machinery.wav	Suburban park day birds, especially crows, with distant machinery and traffic. Indistinct voices at times. Loop.
NP02 0314 Suburban park day birds machinery insects.wav	Suburban park day with birds and insects with maintenance machinery in background with faint voices. Busy. Loop.
NP02 0315 Suburban park day insects birds jet.wav	Suburban park day with intense insects and occasional crows. Jets obvious. Traffic rumble. Loop.
NP02 0316 Urban park day bird insect traffic.wav	Urban park day with bird chirping and cricket. Traffic busy and obvious in background. Loop.
NP02 0317 Urban park day pigeons people V1.wav	Urban park day with pigeons cooing and people shuffling on sidewalk. Loop.
NP02 0318 Urban park day pigeons people V2.wav	Urban park day with pigeons cooing and people shuffling on sidewalk. Busy and louder than first version. Loop.
NP02 0319 Urban park day children playing V1.wav	Urban park with children playing under adult supervision. Traffic occasional in background. Loop.
NP02 0320 Urban park day children playing V2.wav	Urban park with children playing under adult supervision. Traffic occasional in background. Loop.
NP02 0321 Urban park day people ducks traffic.wav	Urban park day with people traffic ducks. Loop.
NP02 0322 Urban park day birds traffic rumble V1.wav	Urban park day with birds chirping and traffic rumble. Loop.
NP02 0323 Urban park day birds traffic rumble V2.wav	Urban park day with birds chirping and traffic rumble. Loop.
NP02 0324 Suburban park night insects.wav	Suburban park at night with insects and very distant ventilation noise with traffic. Loop.
NP02 0325 Urban park night insects.wav	Urban park at night with insects. Occasional train and street traffic. Water drips subtle and sparse. Loop.
NP02 0326 Urban park night insects numerous.wav	Urban park at night with numerous insects. Occasional street traffic and ventilation noise. Loop.

NP02 0327 Urban cathedral bells.wav	Cathedral bells ring continuously. Loop.
NP02 0328 Urban underground water drips.wav	Urban underground sparse echoey water drips. Loop.
NP02 0329 Urban underground water drips electric hum.wav	Urban underground water drips splatter with electric hum. Loop.
NP02 0330 Wind elevator shaft.wav	Wind from elevator shaft. Quickly changing. Loop.
NP02 0331 Wind strong.wav	Wind blows strong around corner of building. Loop.
NP02 0332 Wind strong whistling V1.wav	Wind blows strong around corner of building and over pipes to produce whistling sound. Loop.
NP02 0333 Wind strong whistling V2.wav	Wind blows strong around corner of building and over pipes to produce whistling sound. Very faint bird chirps, barking dog and traffic at times. Loop.
NP02 0334 Suburban din day birds rumble.wav	Typical din of birds and distant traffic rumble of suburban area. Loop.
NP02 0335 Suburban din day traffic.wav	Typical din of light distant traffic with sparse bird chirps in suburban area. Loop.
NP02 0336 Suburban din day maintenance.wav	Typical din of yard maintenance in suburban area. Loop.
NP02 0337 Suburban din day insects.wav	Typical din of traffic and insects and birds during day in suburban area. Siren faint in background. Loop.
NP02 0338 Urban din day traffic rumble.wav	Typical din of traffic during day in urban area. Loop.
NP02 0339 Urban din day traffic rumble bird.wav	Typical din of traffic during day in urban area with faint bird. Loop.
NP02 0340 Urban din day traffic roaring.wav	Urban din during day created by traffic. Loop.
NP02 0341 Urban din day traffic reverberating.wav	Urban din during day created by traffic reverberating on building walls. Bird chirps and insect faint. Loop.
NP02 0342 Urban din day traffic busy.wav	Urban din during day created by busy traffic. Loop.
NP02 0343 Urban din day traffic peak.wav	Urban din during day created by peak traffic. Loop.
NP02 0344 Suburban din night electric hum dogs bark V1.wav	Suburban night din characterized by electric hum and dogs barking. Loop.
NP02 0345 Suburban din night electric hum dogs bark V2.wav	Suburban night din characterized by electric hum and dogs barking. Loop.
NP02 0346 Suburban din night electric hum ventilation.wav	Suburban night din characterized by electric hum and ventilation noise. Loop.
NP02 0347 Suburban din night insect rumble howling.wav	Suburban night din characterized by howling rumble and solitary cricket. Loop.
NP02 0348 Urban din night traffic rumble V1.wav	Urban night din characterized by traffic rumble. Loop.
NP02 0349 Urban din night traffic rumble V2.wav	Urban night din characterized by traffic rumble. Loop.
NP02 0350 Urban din night traffic rumble V3.wav	Urban night din characterized by traffic rumble. Traffic more distinct and busier than previous versions. Loop.
NP02 0351 Urban din night traffic rumble electric hum.wav	Urban night din characterized by traffic rumble, some elevated road seams, and electric hum from ventilation. Loop.
NP02 0352 Urban people footsteps babble V1.wav	Footsteps, hard soles on hard pavement, at deliberate pace. Loop.
NP02 0353 Urban people footsteps babble V2.wav	Footsteps, hard soles on hard pavement, at deliberate pace. Children present. Loop.
NP02 0354 Urban people footsteps babble V3.wav	Footsteps, hard soles on hard pavement, at deliberate pace. Children present. Loop.
NP02 0355 Urban people footsteps babble V4.wav	Footsteps, hard soles on hard pavement, at deliberate pace. Children present. Busier and more diverse than previous versions. Loop.
NP02 0356 Urban people babble train station.wav	People babble and walk in train station with conductor whistle. Footsteps and children evident. Loop.
NP02 0357 Urban people babble train station busy.wav	People babble in busy station station with drone of locomotive in background. Loop.
NP02 0358 Urban people babble crowded V1.wav	Many people babble in crowded indoor space. Loop.
NP02 0359 Urban people babble crowded V2.wav	Many people babble in crowded indoor space. Loop.
NP02 0360 Urban people babble crowded V3.wav	Many people babble in crowded indoor space. Ventilation whine. Loop.
NP02 0361 Urban people babble crowded reverberating V1.wav	Many people babble in crowded indoor space. Reverberating space. Loop.

URBAN & SUBURBAN

NP02 0362 Urban people babble crowded reverberating V2.wav

Many people babble in crowded indoor space. Reverberating space. Loop.

NP02 0363 Urban people babble crowded reverberating highly.wav

Many people babble in crowded indoor space. Highly reverberating space. Loop.
