

Crunkzilla

Sound&Recording, 05-2009
www.soundandrecording.de

(...) 2 GB Samples splitted into 40 Construction-Kit which can be triggered via Ueberschalls Elastik-Player. The Menu of the kits is only seperated into Kits and single drums.

(...)

Crunk shows a direct connection to HipHop: Groove and aggression are very gangsta-like, the sawtooth-hooklines sound a little epic and „Yomanwhatareyoulookin'at“??

(...)

Not very inventive but real and groovy.

Translated by Wenzel Mehnert / Ueberschall
