

Supreme Styles

Supreme Styles is the ultimate library of urban music, which adjust its top priority on guitars. The library deals with a wide range of styles such as HipHop, R&B, Club and Dancehall, as well as other surrounding genres. Each of the 30 Construction Kits delivers a well composed track, (including a main part, variation, intro/outro), which consist besides its instrument and drum and percussion loops, of several guitar loops. With a rage of 58 to 127bpm, you'll find unique tracks, which have their own tension, feeling and style. Everything is composed to conform to the musical genre and the samples comprise a state of the art Library, made to achieve true urban sound.
