

Ugritone – Assault Drums

Unleash the raw power of the '70s and early '80s with *Assault Drums*! From the gritty Garage Rock of the UK to the smooth, polished Disco grooves of the USA, this drum plugin delivers the iconic sounds that defined a generation of Rock and Pop music.

Ugritone

Ugritone is a Finnish/German company with an uncompromising dedication to metal. Rooted in the raw, unpolished energy of the Scandinavian underground, and elevated by cutting-edge production, we craft virtual instruments and MIDI packs that capture both the gritty essence and the polished power of metal, punk, and extreme music. Whether you're after lo-fi ferocity or mix-ready clarity, we've got the sound to match your vision!

If your track doesn't pull punches, your sound shouldn't either!

Crank up the volume and feel the groove — **Assault Drums** is your ticket to capturing that raw, gritty 70's rock sound. Whether you're adding a little 8-track magic or diving headfirst into the full retro rock 'n' roll experience, this kit's got your back.

From garage rock to hard rock, disco, and even a bit of punk fusion, it's UK meets USA, metal meets rock, and everything in between.

If your drums aren't quite breathing that vinyl dust or you need a little more 8-track punch, Assault Drums is here to kick your sound into high gear. Grab it, and let the 70's rock 'n' roll run wild!
