### Ugritone

---

Ugritone is a Finnish/German company with an uncompromising dedication to metal. Rooted in the raw, unpolished energy of the Scandinavian underground, and elevated by cutting-edge production, we craft virtual instruments and MIDI packs that capture both the gritty essence and the polished power of metal, punk, and extreme music. Whether you're after lo-fi ferocity or mix-ready clarity, we've got the sound to match your vision!

If your track doesn't pull punches, your sound shouldn't either!

**Northern Artillery Drums** packs punch of a thousand thunderballs. Unleash the fury of the North with a bone-crushing drum sample library forged for speed and precision in the heart of Finnish metal. Crafted by *Matias Kupiainen*, the legendary guitarist/producer of *Stratovarius*, and powered by the savage beats of *Rolf Pilve*, Stratovarius' drummer, this library packs a punch that will send chills through your spine.
