

# ELECTRONIC DRUMS

VOL.1

Electronic drums, a high quality sample collection with electronic & synthetic drum sounds for the club sound of today. Compiled with Battery 3 and Kontakt 3, these samples are tweaked to perfection with the use of internal effects like reverb, delay, compressor, bitcrusher, eq and more. Load a set named by genre like Electro, Minimal, House, Progressive, Trance and start with your production directly. There's no time consuming search for samples, which could fit together best and you can easily combine each set with each other. Also playable instrument samples like bass, effects & leads are included per set, to have the ultimate creative flow. Smashing drums and sounds! Up-to-date midi files for all sets included!

Kicks, Claps, Hi-Hats, Snares, Percussions, Cymbals, Sfx and more.  
35 Sample Set's incl. Midifiles 2100+ Samples  
Formats: Battery 3, Kontakt 3 (and higher), WAV  
(Taken from Soundorder.com - Battery Sample Set's Vol. 1- 4)
