**Ueberschall announces the availability of Urban Ballads**

### **Urban Ballads**

High Quality R&B Music

Featured by the Urbanic Series, Urban Ballads is an all new jam packed release which includes 22 Construction Kits providing 3.6 GB of smooth, sexy high quality R&B Music. It grants you access to the melancholic and emotional facet of modern and classic R&B music. Including tempos between 50 – 77 BPM, you'll find primarily slow and calm Kits with applicable accents, which are perfect for creating the freshest, most modern love tunes, ballads or R&B tracks on the market today.

All Construction Kits are filled with extraordinary samples, beatz, guitars, Rhodes, pianos, basslines, synths, pads, fx sounds and a whole bunch of drum and percussion sounds. Every sample on Urban Ballads is labeled with BPM information and root key (key signatures).

Furthermore, the kit contains up to 4 sub-kits, material is organized as follows:

Main Kit, Variation Kit A, Variation Kit B & Intro/Outro Kit

This structure makes it easy to select the correct vibe needed for your track. Plus the integrated Elastik player allows you to fit the samples to your individual needs. The content is geared toward Urban Music producers, especially R&B producers, looking for authentic R&B sounds. Everything is programmed to conform to the musical genre.
